NEW ENGLAND EQUITATION CHAMPIONSHIPS

OFFICIAL INVITATION

Welcome to the 48th Anniversary of the New England Equitation Championships! All of your sacrifices, success, and dedication have enabled you to join us October 18 - 22, 2023 in West Springfield, Massachusetts. This is your opportunity to be a part of one of the premier equitation events!

The NEEC is excited to be hosting the USHJA Hunt Seat Medal Finals for the fourth year in a row. We are also extremely pleased to be offering three grants again this year, which are in memory of Joe Medico, Fred Hunt, and Mason Phelps, all of whom had a profound impact on our finals as well as the horse community.

This year's Junior Celebration will be held at the newly renovated Marriott Springfield Downtown. Join us on Friday, October 20, 2023 at 5:30 pm for cocktails, and dinner at 6:15 pm. Tickets are available for purchase at newenglandequitation.com. A limited block of discounted rooms has also been reserved at the Marriott. *Call to book by September 17th, 413-781-7111.*

New in 2023 will be a 70-second jumping warm-up in the Coliseum for junior showing riders on Thursday evening after the adults are done showing. Riders will have one time slot only (only one rider will jump at a time). Sign up beginning at noon on Thursday behind the Presentation area by the trophy room.

The New England Equitation Championships is considered one of, if not the best, equitation finals in the country. It is because of the hard work of many individuals and the generous support of our sponsors that we are able to hold these finals each year. We are extremely proud of the opportunity it presents for outstanding horse-people to test themselves and take their place in NEEC history. We look forward to seeing you this October!

NEEC SHARPS EMERGENCY

Three reasons New England Equitation Finals trainers, grooms or exhibitors must dispose of ALL Sharps/needles safely and responsibly at Eastern States Exposition (ESE):

- 1. Sharps are DANGEROUS! When left anywhere outside of a designated Sharps container they can potentially cause great harm to horses, dogs or humans attending/working at our event or future events at ESE.
- 2. ESE recycles stall waste (shavings, hay, manure) from our event to local nurseries and farms.
 - a. This cannot be done if even one needle is detected in the used stall material.
 - b. This is EXTREMELY DANGEROUS when used for compost material applied to crop fields and nursery beds by local farmers, who work with their hands daily.

3. NEW \$500 fine for 2023:

- a. ESE will fine the event \$500 per needle found not properly disposed of in a Sharps container.
- b. The fine for needles not properly disposed of at our event in 2022 was over \$5000.
- c. Continued violations will force the cost of our event to increase and could jeopardize our relationship with ESE.

Please join the NEEC and Eastern States Exposition in helping to insure that our event is as safe as it is wonderful by disposing of Sharps responsibly in the Sharps containers provided at the end of the barn aisles.

ESE and NEEC will provide a limited number of portable Sharps containers you may obtain at the show and stabling office to utilize at your individual stable area.

We appreciate everyone's support in addressing this issue promptly and professionally to insure the safety of our exhibitors, show staff, ESE staff, and local partners.

Thank you,

Eastern States Exposition

CHALLENGE OF THE STATES INVITATIONAL

Philanthropy is an important part of the mission of the New England Equitation Championships. Thus, the Challenge of the States winners will work together to choose an organization that they feel will benefit from a donation, made possible by an anonymous donor. This component was developed to encourage our young riders to learn the importance of giving back. The Medal winning teams will each donate a minimum of \$1,500 (Gold Team \$750, Silver Team \$500 and Bronze Team \$250) to the top three charities that will be chosen by the riders before the start of the class. There will be additional opportunities to donate to these charities during the horse show.

Open to junior riders, who will represent the state they reside in, with the top six scores from the open equitation classes. The top four riders with the highest scores will ride and the riders with the fifth and sixth highest scores will be the chef d'equips. Riding members must have a minimum score of 50, chef d'equips can have any score, to make up a team. The top three scores will count for the team total. Number of teams for each state will be determined as follows, with management reserving the right to change:

- 3 25 riders will be one team
- 26 50 riders will be two teams
- 51 75 riders will be three teams
- 76 and more riders will be four teams

An additional team of the next six highest scores of juniors in their last year will be added, score must be a minimum of 50 for riders, chefs can have any score.

If a junior in their last year is a Chef d'equip but has a score high enough to ride on the Graduate Team, that junior will be moved to the Graduate Team as a rider. The rider with the next highest score will move up to be the Chef d'equip on the team that just lost one of its Chefs.

States with fewer than four riders will be combined, as the All American team where the top six scores from these states will become the team. If there are not four of these riders they may then compete as individuals.

Teams work together, without the help of trainers. Only the two Chefs will be allowed in the schooling area to help its rider school. Once a horse has gone it can go back to the barn, there is no further testing.

There will be eight to ten jumps, not to exceed 3'0". Two tests (USEF 1-20) will be built into the course. The Steward will supervise the schooling area. Jumps cannot be higher than 3' and they will be flagged. Trainers are not allowed in schooling area.

Costume Rules

Teams may dress up their riders and horses in costume. Costumes must be safe in manner. Costumes may not obstruct the vision of either horse or rider and must not impede movement on course. No objects may be placed in horse's tail or on or around horse's face that could potentially spook or distract the horse. Competition management will be the deciding factor should a team's costume be in question. Horses must be unbraided.

Riders must be competing in the NEHC finals or be a past NEHC finals winner in order to be eligible for this class. Each rider's USEF address will determine the state that they will represent.

No Entry Fee | Individual Ribbons: 1-10 Team Awards: Gold, Silver, Bronze

Joanne C. Corsiglia Scholarship Award

Dedicated to the Memory of Mr. & Mrs. Frederick Reeve

The New England Equitation Committee is pleased to announce that one annual scholarship award in the amount of \$2,000 will be presented at the NEEC Finals at the Eastern States Exposition Center on the weekend of October 18 – 22, 2023. The Scholarship has been made possible by the contributions and support of members, parents, patrons and friends of the NEEC to encourage junior and adult riders to seriously pursue education beyond the high school level. Candidates must have qualified for and compete in the 2023 NEHC Junior or Adult Medal Finals.

The application can be completed at newengland-equitation.com. The deadline for the receipt of applications is October 1, 2023. A panel of three will designate the recipient of the award, which is to be used solely for educational expenses. Applicants will have nine months from our 2023 Finals to tell Amy Eidson at amyeidson1961@gmail.com or Cookie DeSimone at cookieandfrank@aol.com where they will be attending college, professional school, or another continuing education program.

New England Horsemen's Council Scholarship Awards

New England Horsemen's Council encourages junior and adult riders to pursue education beyond the high school level and awards a \$500 educational scholarship in the following disciplines: Hunter Seat Equitation, Hunter Seat Pleasure Equitation, Saddle Seat Equitation, and Western/Reining Seat. Candidates for the Hunter Seat Equitation scholarship must be a NEHC member in good standing and have qualified for the Medal in the year of the final. Candidates must also be attending school as a high school senior or full-time college student. Selection will be based on the ability and aptitude for pursuing education beyond the high school level, community service, leadership and achievement with horses; less on financial need. Previous applicants who were not awarded the scholarship may reapply.

The application can be completed at newengland-equitation.com. The deadline for the receipt of applications is October 1, 2023. If in the opinion of the Scholarship Committee no applicant meets the standards as set by the Committee, the scholarship funds will be held within the NEHC scholarship account. NEHC furnishes the NEEC medal committee with a certificate to be awarded to the scholarship winner. Scholarship winners must present their transcript with a minimum 3.0 grade point average after a semester in post-secondary school to the administration office to receive the payment. The scholarship will expire in five years unless a letter of intent is received by the NEHC office.

Mason Phelps "Spirit of the Sport" Grant

Sponsored by the New England Equitation Committee

Mason Phelps (1948-2021) was involved in our sport in every way possible: from groom to Olympian to governing leader and more. He launched dozens of ingenious events that raised money and interest in Equestrian sports over his career including the AA rated Christmas show in San Antonio, the American Jumping Derby (later the International Jumping Derby), the New England Hunt Seat Medal (in 1977), and numerous inventive classes in the early days of WEF. Phelps served and left his mark on numerous boards and committees including the AHSA (now USEF), USET, Show Jumping Hall of Fame, NEHC, RIHA, The National Horse Show, and as a show judge and trainer. Phelps was an integral part of the creation of the Equestrian Aid Foundation and served at the Athletes Equity Resource Center. His "Denim and Diamonds" gala was the event of the season for many years at WEF and raised millions for the sport. Friends joked he could exceed an unlimited budget! He also gave a lot of his own money to equestrian causes without a lot of recognition.

In his early days at the Aquidneck Island Pony Club, every Saturday Phelps taught numerous children how to ride, muck, and groom for free. Phelps loved people who loved our sport, and it is said he propped up and pushed forward many of his fellow horsemen.

In 2001, after retiring from riding and teaching, Phelps launched Phelps Media Group which despite his lack of experience in PR became "America's most progressive and successful Equestrian PR firm."

A longtime president of the NHS, Phelps was instrumental in The National Horse Show finding its "forever home" at the Kentucky Horse Park and served on the board until recently. He created the New England Hunt Seat Medal class as a stepping-stone for riders to make it through Regionals and on to the National Horse Show. It was important to him that financials should not prevent a qualified rider from attending a national final.

The grant will be awarded to the junior rider whose essay is voted among the top three by the Grant Committee (announced on Friday night at the Junior Celebration), achieves the highest first round NEEC score among the grant finalists, and has qualified to compete at the NHS 3'3" Medal or Maclay finals at the National Horse Show and will be attending. Applications must be received by October 1st. Apply online at newenglandequitation.com. Past winners may not reapply. The winner will be awarded \$750 from the NEEC and \$750 from the NHS to be put towards stall, entries and entry blank fees at each final.

NEW ENGLAND EQUITATION CHAMPIONSHIPS NOMINATIONS

* NOMINATE BY SEPTEMBER 1ST AT NEWENGLANDEQUITATION.COM *

Junior Sportsmanship Award In Memory of Lawrence "Rooster" Yacubian

In 1986 the New England Equitation Committee established the perpetual Sportsmanship Award to be presented to a junior rider in their last year whose character best exemplifies the definition of sportsmanship, including conduct and attitude representing fair play, courtesy, a striving spirit and graciousness in victory and defeat. The award will be presented to a junior rider who, in the opinion of the Committee, best represents all positive aspects of horse showing and is not only an effective rider, but a good horseman who cares for their horse and about their horse, and someone who demonstrates a sincere interest in their family, friends, and fellow exhibitors.

Adult Sportsmanship Award

In Memory of Sophie Coppedge Walker

In 1995 an Adult Sportsmanship Award was added to recognize adult riders who exhibit the same exemplary qualities. Two awards are presented to a younger and older adult rider showing in any of the adult sections whose character best exemplifies the definition of sportsmanship.

Groom's Award

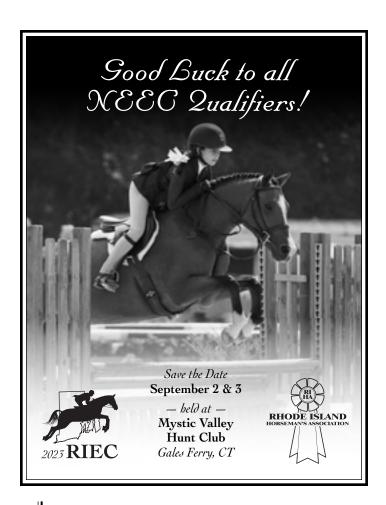

In Memory of Vanessa Lencewicz

Awarded to an individual who has consistently demonstrated their dedication to the care and well-being of the horses. The grooms are the unsung heroes of the equestrian sport. This person must be at the NE Championships to receive the award.

Career Achievement Award

Sponsored by the Vars Family in Memory of Nicholas

The Vars family proudly sponsors the Career Achievement Award in memory of their Thoroughbred/ Percheron cross gelding, Nicholas, who with a dressage/ eventing background became a winning equitation horse over his long career. The Nicholas Award, as it is commonly known, was first presented in 1998 as an acknowledgement for the horse who is versatile within the sport and has demonstrated excellence in its career as an equitation horse. The horse must be present to receive this award at NE Championships.
