Class 15

CHALLENGE OF THE STATES INVITATIONAL

Philanthropy is an important part of the mission of the New England Equitation Championships. Thus, the Challenge of the States winners will work together to choose an organization that they feel will benefit from a donation, made possible by an anonymous donor. This component was developed to encourage our young riders to learn the importance of giving back. The Medal winning teams will each donate a minimum of \$1,500 (Gold Team \$750, Silver Team \$500 and Bronze Team \$250) to the top three charities that will be chosen by the riders before the start of the class. There will be additional opportunities to donate to these charities during the horse show.

Open to junior riders, who will represent the state they reside in, with the top six scores from the open equitation classes. The top four riders with the highest scores will ride and the riders with the fifth and sixth highest scores will be the chef d'equips. Riding members must have a minimum score of 50, chef d'equips can have any score, to make up a team. The top three scores will count for the team total. Number of teams for each state will be determined as follows, with management reserving the right to change:

- 3 – 25 riders will be one team
- 26 – 50 riders will be two teams
- 51 – 75 riders will be three teams
- 76 and more riders will be four teams

An additional team of the next six highest scores of juniors in their last year will be added, score must be a minimum of 50 for riders, chefs can have any score.

If a junior in their last year is a Chef d'equip but has a score high enough to ride on the Graduate Team, that junior will be moved to the Graduate Team as a rider. The rider with the next highest score will move up to be the Chef d'equip on the team that just lost one of its Chefs.

States with fewer than four riders will be combined, as the All American team where the top six scores from these states will become the team. If there are not four of these riders they may then compete as individuals.

Teams work together, without the help of trainers. Only the two Chefs will be allowed in the schooling area to help its rider school. Once a horse has gone it can go back to the barn, there is no further testing.

There will be eight to ten jumps, not to exceed 3'0". Two tests (USEF 1-20) will be built into the course. The Steward will supervise the schooling area. Jumps cannot be higher than 3' and they will be flagged. Trainers are not allowed in schooling area.

Costume Rules

Teams may dress up their riders and horses in costume. Costumes must be safe in manner. Costumes may not obstruct the vision of either horse or rider and must not impede movement on course. No objects may be placed in horse's tail or on or around horse's face that could potentially spook or distract the horse. Competition management will be the deciding factor should a team's costume be in question. Horses must be unbraided.

Riders must be competing in the NEHC finals or be a past NEHC finals winner in order to be eligible for this class. Each rider's USEF address will determine the state that they will represent.
